

Summer Reading and Math Assignments For Students Entering the Fourth Grade

READING:

Please read two (2) books from the Recommended Reading List and complete the attached Book Report Form for each book.

Please write in complete sentences. Be sure to check spelling, punctuation, and grammar. Your work must be printed neatly in pencil, and the illustration should be colored in crayon or color pencil. Neatness always counts!

Keep in mind that these assignments will be your first Reading Grade for the Quarter. I will expect your Book Reports on the **second** day of school. **Eleven points will be deducted from all assignments for each day late.**

MATH:

Please see the IXL Standards List attached for your Summer Assignment. If you do not have internet access, or are newly enrolled at Blessed Trinity, a written assignment will be provided for you.

Please have a fun, wonderful, and safe summer! Keep reading and be sure to practice your Math Facts, too! I'll see you in August!

Mrs. Gunning

*The more you read, the more you know.
The more you know, the smarter you grow.
The smarter you grow, the stronger your voice,
when speaking your mind, or making your choice.*
