

Summer Reading and Math Assignments For Students Entering the Third Grade 2021-2022

READING:

Please read two (2) books from the Recommended Reading List and complete the attached Book Report and Story Poster form for each book.

You will need to print two copies of each!

(They can be printed front/back)

Please do not complete a Book Report on a book that you have already read and taken an AR Test on in Second Grade. Keep in mind that these assignments will be your first Reading Grades for the First Quarter, so do your best.

Please write in complete sentences. Be sure to check spelling, punctuation, and grammar. Your work must be printed neatly in pencil, and the illustration should be colored in crayon or color pencil. Neatness always counts!

I will expect your Book Reports on the **second** day of school. **Points will be deducted from assignments for each day late.**

MATH:

Returning students, please see the IXL Standards List attached for your Summer Assignment. **Only New Students who have not been assigned an IXL Username and Password should complete the written assignment.**

Please have an amazing, awesome and safe summer! Keep reading and practicing your Math Facts! Can't wait to see you in August!

Mrs. Sandford

You are braver than you believe, stronger than you seem, and smarter than you think." Christopher Robin, Winnie the Pooh
