

**Summer Reading & Math Assignments  
for Students Entering the Fourth Grade  
2021-2022**

**READING:**

Please read two (2) books from the Recommended Reading List and complete the attached Book Report Form for each book.

You will be taking an Accelerated Reader (AR) Test on each book when you return to school, so please do not complete a Book Report on a book that you have already read and taken an AR Test on in Third Grade. Keep in mind that these assignments will be your first Reading and AR Grades for the First Quarter, so put forth your very best effort.

Please write in complete sentences. Be sure to check spelling, punctuation, and grammar. Your work must be printed neatly in pencil, and the illustration should be colored in crayon or color pencil. Neatness always counts!

I will expect your Book Reports on the **second** day of school. **Eleven points will be deducted from all assignments for each day late.**

**MATH:**

Please see the IXL Standards List attached for your Summer Assignment. **Only New Students who have not been assigned an IXL Username and Password should complete the written assignment. WRITTEN ASSIGNMENTS FROM EXISTING STUDENTS WILL NOT BE ACCEPTED.**

Please have a fun, wonderful, and safe summer! Keep reading and be sure to practice your Math Facts, too! I will see you in August!

Mrs. Gunning

*The more you read, the more you know.  
The more you know, the smarter you grow.  
The smarter you grow, the stronger your voice,  
when speaking your mind or making your choice.*
